

BERNS

WELCOME TO THE WORLD OF BERNS

DEAR GUESTS

Covid-19 testing can be done by a nurse in your guest room, providing you with a test result after 20 minutes. All necessary certificates will be issued on the spot or within 30 hours, depending on for which countries the certificate is for as some special rules and laws may apply. Charge for In Room Covid-19 testing is 2850 SEK. Kindly contact the Front Desk to book.

One of our highest priorities at Berns Hotel is the safety, health as well as security of our valued guests, team members and business partners. In response to the current situation in the light of Covid-19, we have reviewed our existing health and safety processes and developed a new safety protocol. We are happy to inform that this in-depth cleanliness and disinfection protocol was created in partnership with experts and is designed to ensure your safety and peace of mind at all times during your entire stay at Berns Hotel.

HERE ARE A FEW EXAMPLES

- All national guidelines and restrictions by the public health authorities have been implemented and are followed up continuously**
- Social distancing is secured throughout the whole hotel in all areas**
- Number of tables and chairs have been reduced in all Food & Beverage outlets**
- Contactless check-in & check-out is offered and digital pre-check-in and self-check-out methods are available**
- Any safety measurement products such as face masks, hand sanitizers and wipes are available on a complimentary basis for your comfort**
- Tailor-made solutions for private meals can be arranged if desired**
- Services such as disinfection of your luggage upon arrival is available**
- All staff members are well educated and trained how to act accordingly in order to ensure that all parts of our strict cleanliness and disinfection protocol are in place at all times**

If you have any questions, concerns or wishes you are more than welcome to contact us.
